Using Google Sheets in the Classroom:

- Collaborate on a book (import video and pictures)
- Create a game like Jeopardy using the polyline tool
- Use a [Google Template](#)
- Opinion and Feedback through comments
- Find an add-on that works for you
- Create an interactive lesson
- Choose your own adventure story
- Make your own textbook
- Design a magazine
- Make a postcard
- Slideshow using a greenscreen
- Design a Museum tour of your artwork or any topic
- Short film (using screencastify)
- Video Tutorial
- Stop motion film or visual notes/flashcards
- And many many other ideas... explore, grow your brain and challenge yourself or class to look through and open a practice document and try out the tools
